Basketball Banquet

The basketball banquet will be this Sunday in the afternoon. The exact start time is still being figured out. We will let you know soon what time it will

Short on Money?

If you are like many people nowadays, you are probably a little short on money, but may have extra time. Well, you can help out your church and school by volunteering to work Palace Concessions! Work just one evening to help earn upwards of \$500 or more for your church or school. **Take special note -- there is a good possibility that some or all of one or two events could go directly to helping fund Wolverine Camp. 7th and 8th grade parents--this could cut your cost in half!**

Here are two upcoming events for which we still need workers:

Thurs., April 2nd (College slam dunk) - **NEED 3 AS SOON AS POSSIBLE**

Tues., April 7th (Jay Leno) - need 4

If you are willing to work, especially for this Thursday, contact Tracy Hoffmaster either by cell (586-899-2410) or email (THoffmaster@bcbsm.com). THANKS!

Basketball & Cheerleading Uniforms

There are still 5 people (2 boys, 3 girls) with uniforms out there yet. Please turn them in as soon as you can.

Grades 5-8

Hello. Here we are at the last week of the 5th Period already. A few reminders go along with that. First of all, **BOOK REPORTS** are due on Friday. Second a reminder about memory work for Friday. Everyone needs to **write books of the Bible** again (5-6 OT, 7-8 ALL). This definitely needs to be studied ahead of time!!

Next, we have a number of tests this week to wrap up the period. Algebra 1/2 and 1 has a test on Tuesday. 7th Grade English on Wednesday. 7-8 Science on Thursday. And on Friday: Math 65, Math 76, Math 87, 8th English, 5-6 Science, 7-8 History, All Spelling. It may seem like a lot, but they will be getting significant amounts of time to study for all of this during the school day.

Have a good week!

Grades 1-4

Hello and welcome to the last week of the 5th period! Crazy how time flies! This week should be fairly normal. We will be having spelling and memory work on the normal days. Please, please, please make sure to help your son or daughter study for their spelling tests. Some of the tests grades are slipping a little bit! We are on unit 28.

3rd and 4th graders must have some of their information that they have collected for their famous person's report here at school by Wednesday. We are going to start working on how to take notes and all that then. Like I wrote in the info letter, most of the work will be done in school! You really do not need to work on this at home unless you hear otherwise.

3rd and 4th graders have their next states and capitals test on Thursday.
4th grade has a math test on Friday. 3rd graders will be having their next test a week from Monday.

1st and 2nd graders are doing a great job with their reading. Keep up the reading aloud at home every night.

If you have any questions about anything, please talk to me ASAP! Thanks and have a great week!

Kindergarten

Hello and welcome to a new week and a new month.
We have come to the end of the final month for the Book-It Program. All Book-It sheets need to be turned in by Friday.

Have a great week.

Calendar

April

- 3** - End of 5th Period
